DOCKETED

SEP 9 2014

My wife and I have a summer home at
of N.E.C.

Overgaard, Az. within the electric service area

I oppose the streamlined process they have filed for increase of customer electricity through Rule 107. The American dollar is reducing in value daily driving costs up for everyone including my own family. Please consider all complaints (hopefully 1000 or more) so they use the Rule 103 application process.

I would like to object to N.E.C. having an increase at this time. I have had increases in electric, sewer, water, taxes, insurance, propane and Food. What has to happen is a cut in everything else in my life. My Income does not change.

I feel this is done to get in before the November elections, cut back on expenses.
